we're different (we mean it)

Here are four important things
that make Embrace different.

1 We treat you with respect.

We promise you'll speak to an actual human being on every call and we'll always respond promptly to email.

2 We're not corporate.

We're a friendly, Ohio-based company. We love what we do and feel good about the pets we help protect.

3 We actually pay claims.

We offer pet insurance that's easy to understand and make sure your claims are processed as quickly as possible.

4 We offer great discounts.

Our policies can be personalized to fit your budget and you can save money with our many discounts.

Give us 30 days to prove it.
